

Input Terminal CKN Keyboard:

Manual**1. First steps (Switching on)**

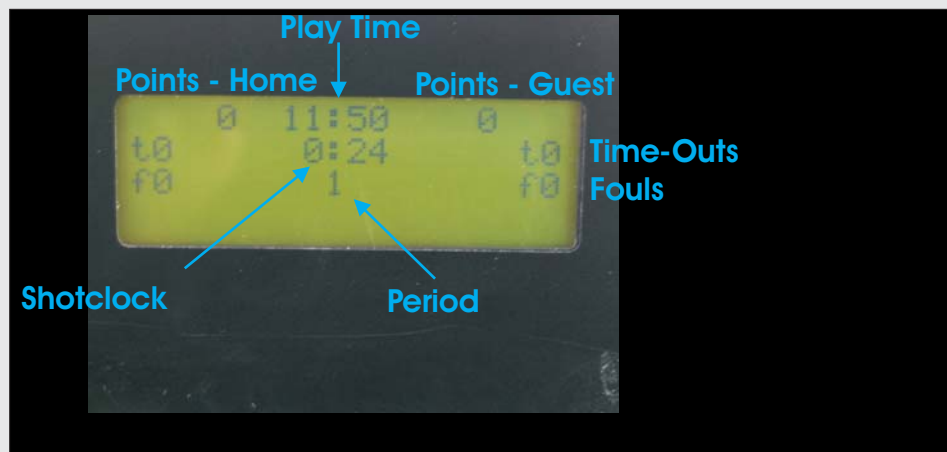

If you switch-on (plug) the CKN-console, appears for 2 seconds:

The activation picture:

**2. Score-display**

After these 2 seconds appears the score-display (of the chosen sport):

Here e.g. Basketball:

It will always show the last score of the chosen sport, before the CKN-console was staked off.

Like in the example above:

Basketball: Time: 11min 50sec., Shotclock: 24sec., Periode: 1, Points 0:0, TimeOuts: 0, Fouls: 0

This means that in case of a power outage, all dates (points, times, foulds, ...) maintain stored! By switching-on the power again, the last shown score will be displayed.

Manual**3. Main menu**

In the main menu, all the adjustments (sport, language, ...) shall be conducted.

Main menu German:**Main menu English:**

In order to attain the main menu, the play time must be stopped (push red "STOP"-button). Then push 3 times successively the "ESCAPE"-button.

4. Start new game

Chose "New game" in the main menu.

Then chose the sport.

E.g. Soccer

then in the display will appear (for soccer): 0 0:00 0

Now please chose the play time. Push "TIME"-button

Chose in the menu the pre-adjusted time (eg. period, break, special break,...).

These times are adjustable in the configuration-menu.
(Also if the time should run upwardly or downwardly.)

If you have now selected a time, you can start the game respectively the time with the green "START"-button.
